# THE GOOD LIFE

*Those who are always striving for an easier way,  
Forget to add the simpler things to their life.  
All we want is a beautiful, natural day,  
A day to look in wonder at the sky,  
To count the stars on a clear night,  
Or fall asleep to a gentle rain.  
As we go through our daily strife,  
May there always be a calm river of peace  
To take away our anger and grief.  
And may there always be a starry night,  
To gaze on and wonder,  
About our life and what we think.*

## *"Animal Class"*

*Jan Gets "Rabbit Ears"*

The Class of '72 has been hailed by many teachers as "The Zoo Class." This is due to the many pranks, outbursts of animal conversation, and animal-like actions portrayed by the Seniors of South Adams. These

## *CONVOS GAVE WELCOMED INTERRUPTION TO CLASS DAYS*

During the course of the year many varied convocations were scheduled for the enjoyment of the students. Some of these were in the form of short plays by the drama class. Other interesting convos were the American Panal of Women, John Brown University Choir, and the Indiana State University Percussion Ensemble.

We would like to express appreciation to the members of our community for always supporting our school activities and projects. The following people receive special thanks for once again making this yearbook possible.

# *FUTURE FARMERS OF AMERICA*

The FFA had a very busy year in 71-72. Gail Sprunger was elected sweetheart and participated in district competition with a pom pom routine. The FFA fed a hungry homecoming crowd of 1300 barbecued chicken from which they profited greatly. Junior and Senior members traveled to Chicago by train to the International Livestock Show which included boarding at the Conrad Hilton Hotel.

# SPORTS THE S. A. WAY

Sports at South Adams High School are an integral part of our school spirit. This year was no exception. The students have been working hard to make our school history. The teams at our school may not have a long history, but those who participated will never forget the hard work, times of anguish, and the triumph of what they experienced.

Coach Schorak gives Ron Grider "encouragement."

Although Mr. Jerry Sekerak was with us for only a short time, he left behind many memories and lasting influences. We can never repay him for the time, energy, and devotion he put into our school, but we can be glad that we had a chance to know and to love him. Since sports were an important part of his life, we would like to dedicate this section to the memory of Coach Sekerak and all that he did for South Adams High School.

A man who we all loved,  
A man we all will miss,  
A man who was a great  
football coach,  
A man who was a great  
wrestling coach,  
A man we all enjoyed being  
around,  
Who helped us when we were  
down,  
A man who gave everything  
he could to make us  
feel proud of our school.  
Who was this man that meant  
so much to us, who made  
us so proud to have him?  
We all know, it was  
Mr. Sekerak.

-Tex Weaver

God sometimes moves in mysterious ways,  
We neither understand why or how,  
But we must accept whatever His plan.  
He has taken a truly great man from us,  
Probably one of the most wonderful we have ever met.  
But it is done,  
And we must look to the future,  
And pray that He will give us the strength to go on,  
And thank Him for the short time we had to share  
With a man we all learned to know and love.

-Deb O'Dell

Steve Baker made the NEIC first team and received All State team honorable mention.

Alan Beitler and John Fulton were named to the NEIC second team for their outstanding performance for the Stars.

During the season South Adams held the No. 1 defensive team in the NEIC, but lost this position as a result of the last game.

Football cheerleaders from top to bottom: Denise Henkel, Deb Kuhn, Barb McKean, Faye Sprunger, and Karen Flueckiger. These five girls did a tremendous job in rousing Starfire Spirit this year by such means as Slave Day, Gold and White Day, and Hat's Off Day. ### *1971-72 Harrier Squad*

This year's cross country team was coached by Mr. Bresnahan who led the two milers to ten wins and four losses. Coach Bresnahan built a strong team and had his runners physically prepared for the exhausting two mile course. For the third year, the Stars were able to capture the county crown. South Adams was once again host for the Timberlost Invitational meet in which there were ten entries. The Stars were able to place third and were backed by the entire Pep Club and the football squad. Dallas Liechty, a strong Senior with endurance, did a fine job as the number one runner in the pack, and he was backed by two other Seniors, Gregg Springer and Sam Beitler. Sophomore Jay Lehman represented his grade well, and the only Junior, Greg Moser, battled injuries to help insure several Starfire victories.

Seniors Jean, Judy and Carol can be proud of their abilities and accomplishments. To Carla and Karen, we wish lots of luck for another year of cheerleading.

## Varsity

Joyce, Viv, and Gaye came through with lots of school spirit during the exciting reserve games. These girls all have talent, and should have bright future in leading cheers.

After getting over "first game jitters," the freshman also had a great time supporting their team. Kendra, Ronda, Cheryl, Joyce, and Gwen are good prospects for future cheerleading at S.A.

ALAN BEUTLER - 1972  
L. V. Phillips Award

## We're Proud of Our STARFIRES

Well the Starfires did it, and they did it tremendously. The spirit of the team, fans, and community just couldn't be matched anywhere else in the state. Other than our 22-5 closing record, S.A. went farther than any other Adams County team in tourney play. We were the third NEIC team to reach state and got farther than the other two teams. State Finals were an experience in itself. Although S.A. had the smallest enrollment of the Big 4, we had the largest and most enthusiastic group of fans! There were parades and speeches on the following day. Congratulations went to the team and Alan Beutler, who won the coveted L.V. Phillips Award.

The Homecoming game was won by South Adams over Bluffton before a capacity crowd. Jean Baumgartner was crowned the Homecoming Queen for 1972 by last year's Queen, Vickie Steiner. The following night the graduates and students of South Adams were entertained at the annual Homecoming Dance sponsored by the Student Council. This year's rock band was the Blue Condition.

# ATHLETES HONORED AT BANQUETS

South Adams athletes are honored each year with a banquet. There are three banquets during the course of the academic year; for fall sports, winter sports, and spring sports. Here is where the various coaches award the athletes with letters, tie tacs, plaques, and trophies. Here are a few pictures from these banquets.

## *"YOU'VE GOT A FRIEND"*

The 1972 Junior-Senior Reception was a very memorable night. Highlights of the evening were the Bluffton Swing Floor, the movie "Wait Until Dark," and John Ludy's presentation of awards. Many people had to be peeled off the ceiling as a result of the suspenseful movie, but laughter came when Denise Amstutz's, secret admirer came out into public view.

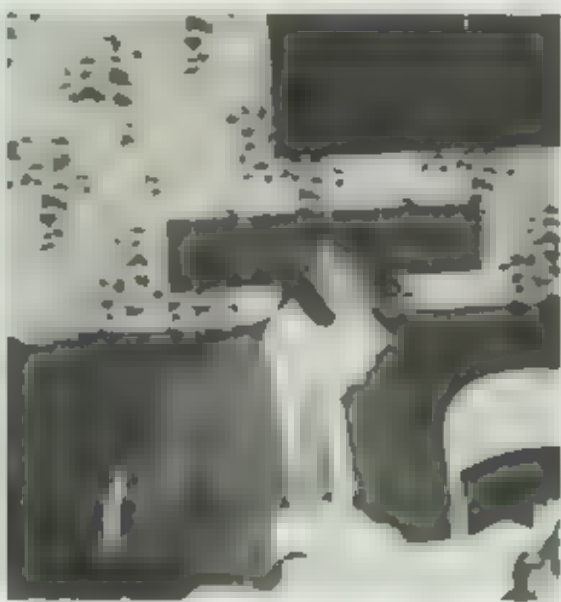

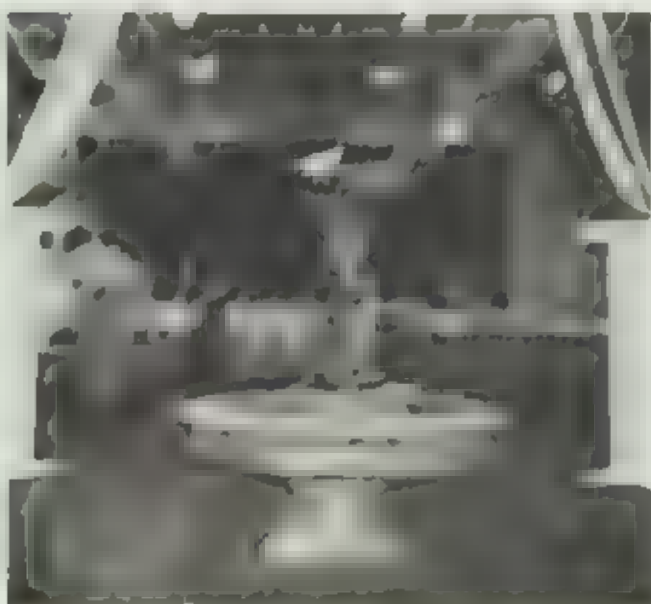

### A Night To Remember

The music fades, the  
stars grow dim,  
The night too soon  
departs,  
And though it dies, it  
leaves a mem'ry  
Flowing in our hearts.

A glow that is the  
symbol of the happy  
days we've known,  
Of countless friends  
and dreams come true,  
Of three years that  
have flown.

Of three short years  
that hurried by,  
And to them now we cling,  
As rather wistfully we  
reach,  
Our Prom, the final fling.

## OH HAPPY DAY!

May 21, 1972 will always be remembered by us as the day we started our struggle in the world. Each of us will recall the hot evening when we marched on the gym floor up to the stage to receive that precious diploma. Then the thing we may remember most is the joyous celebration in the halls following graduation. It was a mixture of whoops, kisses, tears, and howls. Then afterwards we realize that each and everyone of us from that day forward would pursue his own course in life.
